

Learn from the experts and do it yourself!

Get a full hour of training with a senior developer and get the inside scoop of AppStacks Canvas and its advanced features. We can give you a tour, or focus on setting up advanced features and modules while on the phone. Sessions are help over the phone and screen share using GoToMeeting software.

Cost: **\$100 (1 hour)**

What you get:

- 1 full hour of 1-on-1 training with a senior staff developer
- Follow up over email with answers for any questions that needed further investigation and could not be answered during the call
