

Ongoing support plans that give you peace of mind!

Your site is a living thing! It works, it grows, and sometimes it breaks! With an ongoing support plan, you have always someone to ask questions, request additions and maintenance and report issues.

The Essential support plan gives you 10 hours of priority dedicated support that you can use however you want. Need a feature change? Or need a database tune up? Just let us know and we will jump on it.

Cost: **\$500/month**

What you get:

- Priority access to support tickets and resolution
- 10 hours per month of dedicated work performed at your website (new development or maintenance)
